"It is a Tree of Life to those who hold it fast
And all who cling to it find happiness"
Proverbs

While a tree roots deep in the earth, its branches fill spaces in the sky. The "Tree of Life" unites a grounded nature with exalted traits. The imagery of the pomegranates and birds signify; joy, love, beauty, remembrance, divine presence, kindness, and passion. May your union possess these qualities and may your Tree of Life Ketubah become a welcomed source of happiness, illuminating your home for years to come.
